Please circle the appropriate answer for each question.

1. Has Maryland Physicians Care authorized this medication in the past for this patient (i.e., previous authorization is on file under Maryland Physicians Care)? Y N

[If no, skip to question 5.]

2. Does the patient have a diagnosis of ulcerative colitis? Y N

[If no, skip to question 4.]

3. Did the patient show evidence of remission by week 8 of Humira therapy? Y N

[No further questions.]

4. Is the patient responding to Humira therapy? Y N

[No further questions.]

5. INITIAL AUTHORIZATION: RHEUMATOID ARTHRITIS (RA) Does the patient have a diagnosis of moderate to severe rheumatoid arthritis? Y N

[If no, skip to question 8.]

6. Is the patient at least 18 years of age? Y N

[If no, no further questions.]

7. Does the patient meet ONE of the following? Please indicate which of the below apply to patient (if patient has contraindication to methotrexate and other DMARDs, list drugs and contraindications): Y N

Failure of a 3-month compliant trial of methotrexate AND at least 1 other DMARD (e.g., sulfasalazine, hydroxychloroquine, or leflunomide) \ Documented contraindication to methotrexate and other DMARDs

[No further questions.]

8. INITIAL AUTHORIZATION: JUVENILE IDIOPATHIC ARTHRITIS (JIA) Does the patient have a diagnosis of juvenile idiopathic arthritis? Y N

[If no, skip to question 11.]

9. Is the patient at least 4 years of age? Y N

[If no, no further questions.]

10. Does the patient meet ONE of the following? Please indicate which of the below apply to patient (if patient has contraindication to methotrexate, list contraindication): Y N

Trial and failure of at least 3 consecutive months of methotrexate \ Documented contraindication to use of methotrexate

[No further questions.]

11. INITIAL AUTHORIZATION: ANKYLOSING SPONDYLITIS (AS) Does the patient have a diagnosis of ankylosing spondylitis? Y N

[If no, skip to question 14.]

12. Is the patient at least 18 years of age? Y N

[If no, no further questions.]

13. Does the patient meet ONE of the following? Please indicate which of the below apply to patient (if patient has contraindication to NSAIDs, list contraindication):
- Y N

Trial and failure of two different NSAIDs (e.g., ibuprofen, naproxen, etodolac, meloxicam, indomethacin) within the last 60 days OR \ Documented contraindication to NSAIDs

[No further questions.]

14. INITIAL AUTHORIZATION: PLAQUE PSORIASIS Does the patient have a diagnosis of chronic moderate to severe plaque psoriasis?
- Y N

[If no, skip to question 18.]

15. Is the patient at least 4 years of age?
- Y N

[If no, no further questions.]

16. Does the patient meet ONE of the following? Please indicate which of the below apply to patient (if patient has contraindication to UVB and PUVA, list contraindication):
- Y N

Trial and failure of UVB or PUVA, OR \ Documented contraindication to UVB and PUVA

[If no, no further questions.]

17. Does the patient meet ONE of the following? Please indicate which of the below apply to patient (if patient has contraindication to methotrexate, list contraindication):
- Y N

Trial and failure of methotrexate for at least 3 months \ Documented contraindication to use of methotrexate

[No further questions.]

18. INITIAL AUTHORIZATION: PSORIATIC ARTHRITIS Does the patient meet all of the following?
- Y N

Diagnosis is moderate to severe psoriatic arthritis \ Patient is 18 years of age or older

[If no, skip to question 20.]

19. Does the patient meet ONE of the following? Please indicate which of the below apply to patient (if patient has
- Y N

contraindication to methotrexate, list contraindication):

Trial and failure of a compliant regimen of methotrexate for at least 3 months \ Documented contraindication to use of methotrexate.

[No further questions.]

20. INITIAL AUTHORIZATION: CROHN'S DISEASE Does the patient meet ALL of the following? Y N

Diagnosis is moderate to severe active Crohn's disease \ Patient is 18 years of age or older

[If no, skip to question 25.]

21. Has the patient had a documented failure or intolerance to Remicade? Y N

[If yes, no further questions]

22. Does the patient meet ONE of the following? Please indicate which of the below apply to patient (if patient has contraindication to corticosteroids, list contraindication): Y N

Trial and failure of oral or intravenous corticosteroids for at least one month OR \ Documented contraindication to corticosteroids.

[If no, no further questions.]

23. Does the patient meet ONE of the following? Please indicate which of the below apply to patient (if patient has contraindication to azathioprine and mercaptopurine, list contraindication): Y N

Trial and failure of a 3-month compliant regimen of azathioprine or mercaptopurine OR \ Documented contraindication to azathioprine and mercaptopurine.

[If no, no further questions.]

24. Does the patient meet ONE of the following? Please indicate which of the below apply to patient (if patient has contraindication to methotrexate, list contraindication): Y N

Trial and failure of a 3-month compliant regimen of parenteral methotrexate OR \ Documented contraindication to parenteral methotrexate.

[No further questions.]

25. INITIAL AUTHORIZATION: ULCERATIVE COLITIS Y N
Does the patient meet ALL of the following?

Diagnosis is moderate to severe ulcerative colitis \ Patient is 18 years of age or older

[If no, no further questions]

26. Does the patient meet ONE of the following? Please indicate which of the below apply to patient (if patient has contraindication to oral and rectal aminosalicylates, list contraindication): Y N

Trial and failure of a compliant regimen of oral or rectal aminosalicylates (e.g., mesalamine, sulfasalazine) for 2 consecutive months OR \ Documented contraindication to oral and rectal aminosalicylates.

[If no, no further questions.]

27. Does the patient meet ONE of the following? Please indicate which of the below apply to patient (if patient has contraindication to corticosteroids, list contraindication): Y N

Trial and failure of oral or intravenous corticosteroids for at least one month OR \ Documented contraindication to corticosteroids.

[If no, no further questions.]

28. Does the patient meet ONE of the following? Please indicate which of the below apply to patient (if patient has contraindication to azathioprine and mercaptopurine, list contraindication): Y N

Trial and failure of a 3-month compliant regimen of azathioprine or mercaptopurine OR \ Documented contraindication to azathioprine and mercaptopurine.

[No further questions.]
