

Attention All Pharmacy Patients:

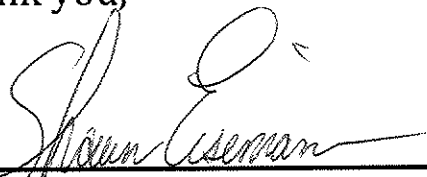

You have the right to receive the medication your prescribing provider has authorized under Maryland State Law

You have the responsibility to review the prescription dispensed, verify the medication, and verify the prescribing provider's instructions and request counseling on the prescription from the Pharmacist

If you have any questions about your prescription that our pharmacist cannot resolve in an acceptable manner please call Shawn Eisemann at 410-677-0561 or email [SHAWEISE@MAC.COM](mailto:SHAWEISE@MAC.COM)

The Maryland Board of Pharmacy may be contacted at 410-764-4796 if questions have not been addressed to your satisfaction

Thank you,
